February 17th, 1922

Mr. Norman F. Bird
15 Hill Street
Newark, N.J.

Dear Sir:

I am referring your letter of February 16th to one of our members who may be able to help you.

I am taking the liberty of enclosing a circular regarding our Society in the hope that you will consider an invitation to become an Associate member. The dues are but Five Dollars a year, and members are entitled to receive all our publications and also have the privilege of subscribing for any medals which the Society may issue.

Should you desire to become a member, I should be glad to have you sign and return the enclosed application card which would be placed before our Council at its next meeting, and if acted upon favorably you would be at once notified.

Trusting you will consider the above suggestion and let us hear from you again shortly,

Very truly yours,

Secretary
